

HOW TO PLAY THE BACK IN THE DAY CELEBRATION QUIZ

- Fun quiz for all ages (young children might need adult support)
- 4 players +
- Playing time 15 - 20 minutes
- Printing preparation time: 10 - 20 minutes

This document has 4 pages. Apart from this page, the other pages will all need to be cut in half. You can use this page (**PAGE 1**) as a cover by folding it in half to hold the sheets in until ready to use if you want to enhance the presentation. You could print this sheet on card.

Printing is very easy. Set your printer on ordinary default settings **PAGES 2 & 3** are the same, except one is for the 'Birthday Boy' and one one is for the 'Birthday Girl'. You therefore will only need to print out ONE of these pages. There are 15 questions all about the habits and past of the Birthday Boy/Girl.

There are two to a sheet, so print out however many you need for the occasion. From feedback, between 6 and 10 is the best number to play with, but it can be played by as many or as few as you like. (People can play in pairs if the party is large).

PAGE 4 is a single sheet for the Birthday Boy/Girl to answer prior to the quiz, (this can be done while the others are playing if they prefer) - it only takes a few minutes. They must keep their answers secret until the end ... then you all check your answers and see who has got the most accurate answers! The other half of the sheet is a certificate for the winner ... so you could consider printing this out onto thin card if you have it.

This quiz is huge fun! Quick and easy to make and play ... and you can use it over and over again for anyone's Birthday celebrations
